# A MESSAGE FROM THE FOUNDER

## HELLO,

Welcome to my home. Where I grew up on our white sandy beaches, learned to surf, made lifelong friends, watched thousands of sunsets, and eventually started envisioning my company. How I want travelers (and locals) to go about viewing my hometown is to go back to a child-like way of thinking - curious, eager, and excited for whats new. I'm all about seeing the world with eyes wide open, and I hope to pass that same energy to my clients. In this brochure you'll find our one-of-a-kind hotel, resort, and event spaces that dot the area. From the airport, to downtown, to the beaches, I have teamed up with the finest locals and property providers in the Panhandle. Let's put together an experience you and your team will never forget along the Gulf Coast.
